*Experience a 13-day Body/Mind/Spirit healing vacation in the energetic environment of the "Casa de Dom Inacio," home of "John of God."*

Abadiania has an ambiance of spirituality and healing that is second to no other location we have ever traveled to. Having visited Abadiania numerous times, we will allow ourselves to be guided by the simple, spiritual atmosphere around *João Teixeira de Faria*.

We will arrange for our group members to stay in one of the best hotels ("pousadas") in town. The very reasonable group rate includes buffet-style breakfast, lunch, and dinner. Food is excellent and meets the requirements of vegetarians, but offers plenty of variety of beef, poultry and seafood for those of us who prefer a diet rich in protein.

Group members will typically arrive on a Monday or Tuesday morning to have extra time to acclimatize themselves to the "Abadianian way of life," visit the crystal store at the *Casa* and browse the few modest boutiques in town, and perhaps enjoy a coffee or our favorite Acai (an iced soft drink made of super-healthy and super-tasty fruit from the Amazon region) at one of the few cafes in town, where you will eventually meet essentially every other foreign "Casa" visitor. That evening, you are also invited to a formal introduction to the *Casa* by one of the local English-speaking Casa guides/volunteers. Wednesday, Thursday, and Friday are then structured around the morning and afternoon sessions at the Casa, with visits to Medium Joao, meditations in the current room, crystal bed sessions, and related other healing oriented activities.

The next 4 days (Sat - Tue) are free, and they are generally used to assimilate the healing experience. We may perhaps arrange for some of our group members an excursion to a nearby town, but this would then be in the spur of the moment and depend on the circumstances and state of healing of our people. Then there will be another 3-day Casa experience (Wed - Fri of your second week).

On Saturday, the final full day of our stay in Abadiania, we may offer to arrange for some of our group members a 3-hour excursion to a nearby picturesque town, but this would then be in the spur of the moment and depend on the circumstances and state of healing of the people.

The group will depart for the return trip on Sunday after breakfast at their *pousada*. In order to facilitate the transition to “life out there,” we will arrange a 4-hour tour in the unique capital of our host country, Brasilia, to visit, among other attractions, the architecturally extraordinary cathedral, the stunning “blue church,” and the famous Temple of Goodwill, before group participants will depart in the late afternoon/evening for their home flights.

We invite you to join us on this journey of healing. However, please note that this is not your normal all-provided, all-inclusive, all-arranged travel agency-like tour. You book your own flights and pay your own bills as you go. But we will be available to assist you with your travel preparations and help you in Abadiania to maximize your experience. If you prefer an all-inclusive tour option, we gladly refer you to those *Casa de Dom Inacio Group Leaders* who provide such a service.

***This is what is and is not included in what we provide:***

- **Air travel and visa:** We advise you, and you make your own travel arrangements, taking you to Brasilia International Airport on Monday or Tuesday morning (assuming you will take one of the now available direct flights from Atlanta or Miami to Brasilia). Gundi and I will communicate pertinent travel information (such as how to obtain the required visa, which can be arranged by Internet and mail) to the participants. Air fares are typically around \$1100.
- **Transportation from Brasilia to Abadiania:** We will arrange for you to be picked up at the Airport for this 2-hour trip by a taxi or van (cost is around \$80, if you are alone, or less if we can arrange ride sharing).
- **Accommodations:** We will make the arrangements for you. Group rate is approx. \$55 for single, \$45 for double room occupancy, per person per day incl. breakfast, lunch, and dinner (but excluding beverages, desserts, and other misc. expenses). You will have to settle your bills on your own. Wireless Internet for your laptop and several Internet computers are available at the *pousada* for a modest fee.
- **Optional Excursion to the picturesque neighboring town of Pirenapolis:** We will make the arrangements; you pay your pro-rated share of cost, if you choose to participate (approx. \$50 /person).
- **Transportation back to Brasilia, with optional lunch and sight-seeing:** We will make the arrangements; you pay your pro-rated share of cost (only little extra cost over regular taxi ride).

- **Donation to the Casa :** All services at the *Casa* are free, except for purchase of crystal bed sessions and the *Casa* herbs you may want to buy. Instead, donations to the *Casa* are welcome. We found that people often do not have enough cash left at the end of their stay in Abadiania to make an appropriate donation, and it is all but impossible to make a donation once back home. Therefore, we ask participants to plan ahead to be able to make a donation of their choice to the Casa de Dom Inacio during their stay.
- **Enriching Teaching Sessions** on topics of interest to the group will be scheduled ad-hoc in Abadiania.
- **Costs:** Approx. \$800 per person for airport transportation in Brazil and 12 days single-occupancy room and board (payable *ad-hoc* in person in Abadiania)
- **Registration/Administrative Fee:** \$500
- **Extra Expenses:** You will need to bring some extra money for your purchases of crystals and other *Casa* memorabilia, crystal bed sessions, *Passiflora* herbs (approx. \$35 per person -- for yourself and those of your friends and family members of whom you present pictures to Medium Joao and who get herb "prescriptions"), some purchases in boutiques, a few taxi rides in town, an excursion to Pirenopolis and sight seeing in Brasilia, buying blessed water at the *Casa*, and -- last but certainly not least -- your desserts and your *Acai* fruit drinks at *Frutti's*.

For those of you who have only experienced the Casa de Dom Inacio *Crystal Bed* at our house but otherwise know little about John of God, we can recommend the book by Heather Cumming and Karen Leffler, "John of God," available at Amazon.com, or the book by Emma Bragdon, Ph.D., "*Spiritual Alliances*," Lightening Up Press, Woodstock, Vermont. Also, you will find several pictures of Abadiania and John of God in Klaus Heinemann and Miceal Ledwith's book "*The Orb Project*" (Atria Books, Simon & Schuster, 2007) and Klaus and Gundi Heinemann's book "*Orbs, Their Mission and Messages of Hope*" (Hay House, 2010), as well as discussions in those books of a hypothesis on spiritual healing, such as we experience with John of God.

Please let us know if you are interested in joining us. We will then get back to you with more detailed information.
